Report on Bridge Course Session

“Statement of Purpose”

Faculty: Dr. Prathibha Patel M

Date: 16th September 2019

Bridge course session for I year students was conducted on the topic “Statement of Purpose” between 2:45 pm to 3:45 pm on 16th September 2019. The session intended to bridge the gap in students’ approach towards the Post-Graduation course of Masters in Business Administration. The importance of being aware of their individual purpose of doing this course was explained to the students. The need for confidence backed up with clarity in the choices made by the students was brought to light. The session was used to introduce students to career oriented learning with special reference to corporate placement and entrepreneurship options available to them. Clarity of one’s own purpose in opting the course is bound to determine their future choices of curricular specialisation and involvement in specific extra-curricular activities. This point was driven home in their minds so that it can help the students make conscious choices of every activity that the student would involve oneself in the next two years.

REPORT ON BRIDGE COURSE

Topic: Positive Attitude for Management Students

Faculty Name & Designation: Mrs. Deepa Nayak P., Assistant Professor

Held on: 17 – 09 – 2019

Venue: Conference Hall

Timings: 11:00 a.m. to 12:00 noon

The main objective of this session was to inculcate a positive approach to life. Students were given real life examples of the different approaches to a positive frame of mind which can help them in many ways and in many situations. They were made to realize that it will help them stay calm in difficult situations, not to lose hope, and to continue whatever they are doing, despite difficulties or failure. Adopting a positive attitude as a way of life will help one cope more easily with one's daily affairs of life and would bring constructive changes into one's life. A positive attitude will make you an optimist and help you avoid worries and negative thoughts. Developing this attitude, would make you a happier person, who sees the bright side of life and expects the best to happen. It is certainly a state of mind that is well worth developing. Videos of Gaur Gopal Das and Sadguru were used to add more value to the matter.
